The Venture Subscription Package

Ready to turn your side hustle into a thriving business. Our package has got your back! From invoicing to tax, we've got the nitty-gritty details covered so you can focus on making your venture a success.

What is in the package

Software

- Xero subscription: your accounting software
- Xero initial set up: we set it all up for you
- Xero training session: we provide training so you know it inside out

Tax and Statutory

- Calculation and submission of your incometax returns
- Calculation and submission of yourprovisional tax returns
- CIPC annual return submission

Accounting

- Annual financial statements: we put these together each year
- Quarterly management account: an overview of what is going on in your business, with input and advice from us

Advisory

- Quarterly management meetings: we discuss your management accounts and give you advice about your performance
- Dedicated accountant on call: some one is always there to answer questions, give advice, bounce ideas or just to chat

Our Process

- 1. Meet and greet**

A kick-off meeting (face-to-face or online) with you to discuss your new venture. We find out all about what you are planning to do, how you are going to do it, and what you aim to achieve.
- 2. Finding your package**

From this meeting we determine your accounting needs and if this package, or a tailor-made package will be best for you.
- 3. On-boarding**

We welcome you to the Accountant family. We gather all your relevant information, create your profile and onboard you as our client.
- 4. Xero setup and training**

We create your very own Xero profile, set it up to work seamlessly with your business, and do all the necessary training to get you working with the system.
- 5. To infinity and beyond**

You are good to go! We check in with each other on a regular basis, providing support for you whenever you need it. From reporting to ensuring your business is healthy and thriving, all your accounting needs are looked after. And you have the freedom to give your venture the attention it deserves.

Please contact us for more information or make a booking [here](#), we'd love to hear from you.
